

GMLS 5.5 SPECIFICATION SHEET

birchwood
products ltd

PRODUCT: GARDEN MASTER LAWN SCARIFIER
PART NO.:

Iss. 01 Iss. Date 06/07/06

Garden Master –Scarifier

The GMLS 5 is designed to make light work of even the thickest moss and thatch, so clearing large areas couldn't be easier. The powerful, robust 5.5hp Honda GX 160 engine and adjustable cutting height make it a formidable tool for tackling tough gardening and landscaping projects.
